

Wednesday Wins

Hi All,

A reminder, tomorrow, February 20th at 4:00 PM, we will have our State of the Union Address to discuss the fear and anxieties of our faculty and to give them information on how to organize and fight against Trump's anti-education agenda. We will update you on fire relief, and recent MOUs. We will also have Belinda Lum, Chief Negotiator for Los Rios Community College District, "Know Your Rights" and "UndocuAlly" trainer for CFT, and Los Rios will discuss how to protect your rights and students if ICE comes to campus. We will also discuss organizing to resist this oppressive regime. Join us tomorrow by RSVP with the following link

Also, as you know, the March in March planned for March 4th in Sacramento has now been elevated to be part of the March 4th National Day of Action. We will lead this event since we have established the program and have all the necessary permits. We will let our legislators in Sacramento know to fight for our student's access and protect our immigrant students, LGBTQIA+ community, people of color, women, academic freedom, faculty rights, and affordable education. Together, we are a mighty force. The seats are booked for our flights but you can still RSVP and get on the waiting list using this link (https://docs.google.com/forms/d/e/1FAIpQLScu7U_PxOgySP0GKT_BI-ZGPViKL-6Gk3PuGwG-ctpsHHZftw/viewform).

Thank you and I hope to see you tomorrow.
